Healthwatch Advocacy is a free and independent service for patients who want to make a complaint about any part of their NHS treatment or care.

What can Healthwatch Advocacy do for you?

- Give you information about who to complain to
- Explain the NHS complaints procedure
- Help you to write letters to the right people
- Come to meetings with you
- Put you in touch with other people who can help you
- Provide an interpreter if you need one

**Talk to us with
confidence.**

**We can help
you speak up!**
