

Questions and Answers

Q What does accountable mean

A Your named accountable GP will oversee the co-ordination of your care amongst the other health professionals.

Q Does this mean that my named accountable GP will take 24 hour responsibility for my care.

A No, the named accountable GP will not take on 24 hour responsibility for your care, your named GP will purely oversee the care that you receive.

Q Does this mean that I have the right to see my named GP every time I book an appointment.

A No, a patient can express who they would like to see, however, this may not always be possible due to appointment availability with that GP.

Q Can patients still see any GP they wish.

A Yes, a patient can continue to see any GP they wish as the currently do.

Q Will I be Informed in writing who my accountable named GP is.

A No, your practice does not have to inform you in writing. If you would like to know who your named GP is then please contact the practice.
